Where: Microsoft Teams Meeting

Dear Mr. Janecka and Mr. Eaton,

EPA looks forward to a virtual inspection with you on Wednesday July 29, 2020 at 9:30am. There is a Microsoft Teams meeting invite at the bottom of the email with a dial in number as well. I have combined and attached two inspection forms that we will need to complete during the inspection:

1. Notice of Pesticide Use/Misuse Inspection form 3540-25
2. Receipt for Pesticide Use/Misuse Samples form 3450-25

Mr. Janecka, my understanding is that you would be the representative to sign the two forms. If you would like, you may sign, date, scan, and email the forms back to me prior to the inspection.

I have also attached a list of records that I intend to ask for as part of the inspection, as authorized under FIFRA Section 8(b), 7 U.S.C. § 136f(b).

Thank you,

Timothy Hyles
U.S. Environmental Protection Agency
